ADJUSTABLE HEIGHT

#1 BESTSELLER

**FLEXTREME™
672A**

Backboard	42" x 72" x 1/2"
Material	Tempered Glass
Pole Size	6" x 8"
Overhang	4'
Adjustable	5'-10'

THE GOALS THE PROS CHOOSE...

ADJUSTS FROM 10' TO 5' - Lowest adjustment height available. Easy-to-read rim height indicator shows exact height of the rim.

EFFORTLESS ADJUSTMENT - Our spring-assist crank design carries the weight of the backboard. Backboard cranks up as easily as it cranks down.

TEMPERED GLASS BACKBOARD - Most of the goals have a 1/2" thick tempered glass backboard for unmatched ball bounce off the backboard.

TOUGH-AS-NAILS POST - One-piece 7-gauge square pole is solid as a rock, even under the heaviest slam dunk action.

BREAKAWAY RIM & NET - True gymnasium-quality dual-flexion goal and premium net.

FREE POST PAD & BACKBOARD PAD - Keep your players safe with post padding and backboard padding included.

RUST ARMOR PROTECTION - Each unit has a zinc galvanized undercoat and then top-coated with black powder coat paint for an impenetrable weather barrier, and all units include stainless steel fasteners.

LIFETIME WARRANTY - Each goal is backed by our lifetime warranty which covers dunking and hanging on the rim!

**FLEXTREME™
872A**

Backboard	42" x 72" x 1/2"
Material	Tempered Glass
