**FLEXCOURT**  
our court. your game.

### Retrofit Existing Court Surfaces

Our courts eliminate the need to resurface your court year after year. Stop spending countless dollars on replacement and go with a **FlexCourt®** tennis court. Simply fill the cracks in your existing court and install a **FlexCourt®** tennis court. Enjoy the court for 30+ years – warranted by a 16-year warranty.

### The European influences DIN tested FlexCourt®

Before

After

**Tennis surface is designed to withstand use over 30+ years and has become the most innovative tennis court system in the world.**

*\*As reported in the American Journal of Medicine*

### Full Design and Build Services

We design and build custom courts for every type of application and location. Customize your own backyard court, or restore your existing cracked and worn-out court. Retrofit and give your asphalt courts a brand new look.

## Unparalleled Traction

ProStep™ – Our most popular court tile – is designed for more aggressive players and features our superior traction system for realistic tennis ball response.

- Industry-leading traction design
- UV/AO Stabilizer for best color fastness
- True 3/4" design for highest FleXion rating
- Lateral forgiveness to reduce strain
- Patented surface expansion technology

## Advantage FlexCourt®

- **ALL-WEATHER COURT** – Only court surface specifically designed to expand and contract to fit every climate
- **SHOCK ABSORPTION** – True 3/4" thick shock-absorbing surface
- **FAST INSTALLATION** – Installs quickly over existing or new surface (one day or less per court)
- **REDUCED MAINTENANCE** – Covers existing cracks – No resurfacing or painting ever
- **BEST TENNIS PLAY** – Only surface that is designed with tennis play in mind, provides surface that plays very similar to a clay court
- **SELF-DRAINING** – Fast drying, no standing water, play quickly after it rains (all-weather, self-draining court)
- **REDUCED HEAT** – Lower surface temperatures
- **16-YEAR WARRANTY** – Over 30-year life expectancy, highest performance-to-price ratio in the market.

**16**  
YEAR
